

# 2027 ERN

THE EMERGING RESEARCHERS  
NATIONAL CONFERENCE IN STEM  
MARCH 4<sup>TH</sup> - 6<sup>ST</sup>, 2027 | ATLANTA, GA

The ERN Conference provides undergraduate and graduate student STEM majors from around the country the opportunity to present their research in all areas of STEM, hone their scientific communication skills, engage in professional development workshops to prepare them for graduate school and global STEM careers, participate in an education and career exhibit, and build community among their peers in STEM.
